Does Your Company Match Your Charitable Gifts?

Below is a list of companies in metro Atlanta that may match their employee's charitable gifts. Some also provide funds to match your volunteer hours. Each employer has different guidelines as to what type of charities qualify, so ask your Human Resources Department if they will match your gifts to Sheltering Arms. This list is constantly changing as new companies come to town and as new corporations add this benefit for employees, so if you do not see your employer on this list, ask at work to find out if your company has a matching gift program.
